

Ebenezer Memory Care

Dimensions[®]
A dramatic difference in memory care.

Ebenezer is proud to offer the Dimensions Program to residents living within our memory care communities. This program empowers Ebenezer staff to provide exceptional, compassionate care within a framework of evidence-based best practices. Our goal is to make a dramatic difference in the life of your loved one.

BUILDING RELATIONSHIPS FOR WELLNESS

- Caregivers are trained to respond with compassion and creativity to a resident's needs
- Care plans are based on assessments that consider the person's strengths, abilities, needs, preferences, and personal history

INNOVATIVE, INTERACTIVE TRAINING

- Comprehensive aging and dementia care training delivered at new employee orientation
- In-depth, in-person training opportunities available twice yearly for all staff
- Ebenezer's ongoing Champion Initiative trains Dimensions Champions to be skilled and empathetic advocates for residents living with dementia
- "HOT TOPIC" dementia-focused training provides monthly skill-building opportunities to staff
- Dimensions Program Coordinator provides ongoing assessment, consultation and staff training at every site, 1-2 x yearly.

ENGAGING ACTIVITIES

- Residents are encouraged to participate and engage in creative arts and learning activities
- Focus on keeping residents in touch with interests integral to their identities
- Exercise and balance programs
- Person-centered, calming activities as well as interactive, arts-oriented experiences such as drumming, painting, music making, poetry and more
- Service projects, intergenerational activities and community involvement

THOUGHTFUL ENVIRONMENTS

- Communities promote comfort and security
- Controlled-access entries, community activity spaces, outdoor patios
- Lighting designed for aging eyes
- Calming colors

FAMILY EDUCATION AND SUPPORT

- Care partner support groups onsite
- Dimensions Coordinator available to present for family events
- Family support through education, care conferences, and community resources
